

~~Important~~ Important data (NFHS-5) **WOMEN**

- 57% women of reproductive age anemic (NFHS-5)
- 79 → 89% institutional birth
- owning land/jointly - 43%
- Bank account - 79%
- Mobile ownership - 54%
- Contraceptive prevalence : 67%
- Child marriage : 23%

Gender gap index = 185
(WEF)

Steps

1. Expansion of existing schemes

SDG 5.4: recognize care work

- 5: Achieve gender equality & empowers all women & girls.

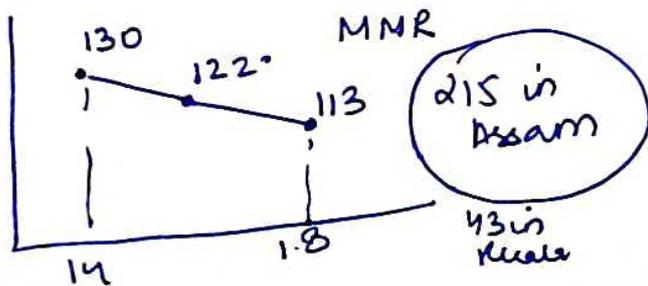

TFR : 2.0 < { urban 1.6, rural 2.1

- except Bihar, Jharkhand, UP, Meghalaya, Manipur

IMF: If women participation = men

GDP = ↑ by 27%

MosPI MMR = 103

Women :

ISSUES

- Social
- economical
- political

Social

1. Invisibilisation of work
2. Time poverty (81% in unpaid 1.5 hrs)
3. Gender stereotyping & patriarchy
4. Domestic abuse
5. Low human capital (65% literacy)

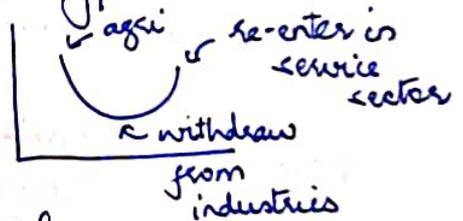

Economic

↓ LFPR: 21%

1. Wage discrimination
2. Glass ceiling & glass cliff
3. Sexual harassment at workplace
4. Financial dependence

- Penalty of motherhood

- 'U' hypothesis

- lack of quality jobs

Political

1. low representation
2. Policy inertia: ↓ gender integration
3. lack of empowerment
4. lack of ^{data} (inefficiencies)

5. Unintended consequence of policy
↳ Maternity Benefit Act 2017

Judgments

1. Kata Wadhwa case (2001)
quantify contribution as
homemakers

2. Deepika case Madras HC
compensation on loss
of mother & father

3. Vireeta Sharma v. Raksh
Sharma

4. Gita Hariharan v. RBI
↳ adoption

5. Dr. Col. Nidisha v. UoI
"structures of society have
been created by males
& for males"

6. Right against sexual
harassment part of
right to life &
dignity U/A 21

↳ UoI v. Mudrika Singh

wrt reproductive choices

→ Right to make repro choices
FR U/A 21 - Suchita Srivastava

→ S. Khushboo - live in relation

- K.C. Puttaswamy - bodily integrity
part of RTI U/A 21

Mudrika

K.S. Puttaswamy v. Union of India
Suchita

Case studies

- 1. Arakunomics
- 2. Millet Sisters Network
- 3. Dibao villages Chira

[Faint handwritten notes in red ink, mostly illegible]

[Faint handwritten notes in red ink, mostly illegible]

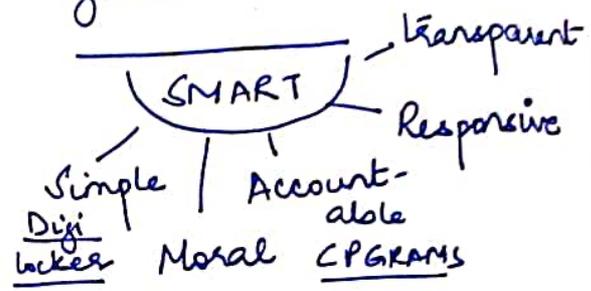

Arakunomics	Arakunomics

Dibao villages Chira	Dibao villages Chira

E-governance

- JAM
- Virtual courts
- Digital loans / banking services
- Education - DIKSHA, SWAYAM
- Health - ND Health Mission
- BHIM UPI
- Open Network Digital Commerce
- COVIN / Aarogya Setu
- Digital India
- Digital locker *
- IGRS / CPGRAMS portal
- CCTNS
- Online applications
 - └ Passport
 - └ form for exams
- Faceless tax assessment
- Portals - GST portal
- VAHAN
- MyGov
- GeM portal
- MCA 21
- DIKSHA / Swayam
- SWANTVA scheme (6.6 lakh villages 2021-25)

• National Educational Alliance for Technology

Definition: application of information & communication technologies to the processes of govt functioning to accomplish efficiency in governance

- Business
 - ✓ GST portal - e way bill filing
- Common citizens: Passport
- Students: form, admission
- Professionals - ITR
- Police personnel / adm
 - └ VAHAN

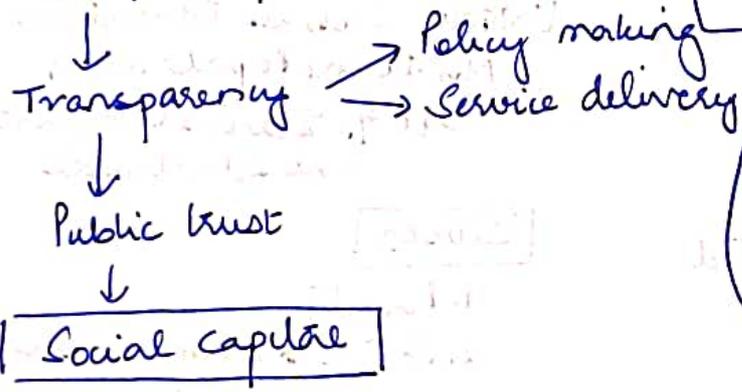

OR

- Streamlining business
- GST grievance redressal
- Citizen consumer - IRCTC
- Reducing streamlining processes - Tax bill payments
- Participative demo: MyGov

Challenges

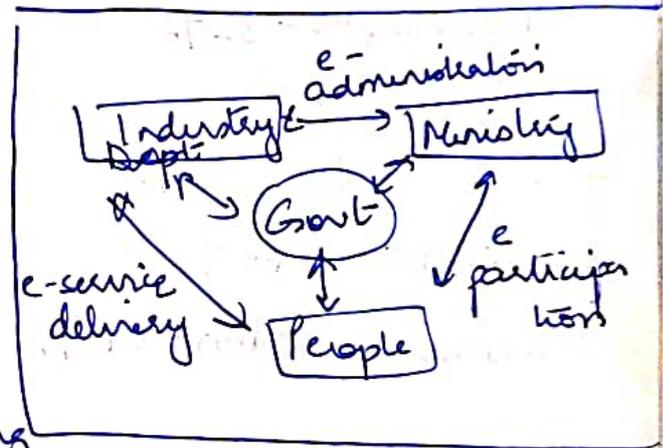

- Digital divide, low IT literacy
 - Rural-urban divide;
 - Privacy - lack / withdrawal of data protection bill
 - Partnership with Bigtech
 - data sovereignty issue
 - Vulnerability - critical infra
eg: cyber attacks
- Peasas
- Native destination brought about by 4th IR

e-participation

Suggestions

1. local lang / visual interface
2. PPP
3. Monitoring (2nd ARC)
4. Interoperability - SOP
(govt sites = same interface)
5. B.N. Sri Krishna committee
6. Capacity building

Def: E governance is the use of ICT by govt. agencies to transform relations with citizens, business & other arms of govt.

4th IR

- AI / ML
 Augmented reality
 Big Data
 Nanotech
 Robotics
 3D printing

~~CHILDREN~~ CHILDREN

- SDG : 8.7 : against child labour

- Malnutrition : 2.2

- IMR : 32/1000

- Stunting - 35.5%
Wasting - 19%

underweight - 32%

- Child marriage 23%

- Vaccination : 76%

- Anemia in children = 67%

Child sex ratio 919/1000
(Census 2011)

320 million students affected
by COVID pandemic

Midday meal - 115.9 million
(disrupted)

Education budget -

- 158 million children 0-6 years
472 mn up to 18 years
↳ 30% mn abandoned
(UNICEF)

Definition

• Child labour (Act 24, 39 f)

ILO - work that deprives children of their childhood, potential, dignity and is harmful to their physical & mental development.

• Every 8 minutes a child goes missing in India (NCRB 2019)
↳ only ~60% found back
(Khoya Paya portal, MHA, @ Muskan)

Census 2011: 10.1 million child labourers in India

1/10th of global

UNESCO Global Education

Monitoring Report 2019

↳ 80% seasonal migrant children
↳ no school near

Causes

1. Poverty
2. Social & norms condoning
3. Lack of work opportunities
4. Migration
5. Displacement
6. Accidents of life < COVID disasters
7. Conflict
8. Lack of implementation

Steps

1. Child labour protection & regulation Act 1986
2. Guupadswamy committee
LCL \equiv poverty
3. Pencil portal
4. 110 - 138 - mis age
182 trust forms

Measures

1. Strengthen child protection
2. Address inequity
3. Education access
4. Mobilise public support
5. Awareness generation
6. Civil society
 - BBA
 - 100 mn for 100 mn
 - CRY

Faint handwritten notes in the top right corner, possibly related to the 'Steps' section.

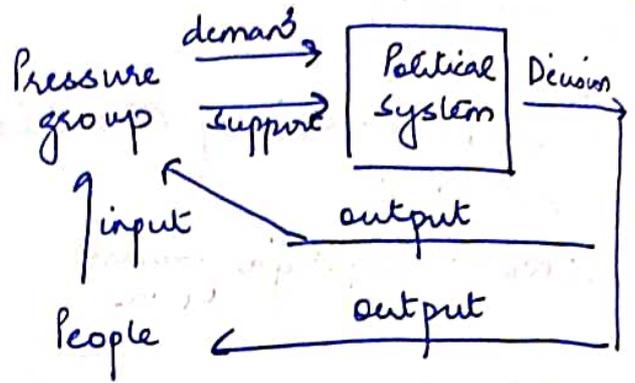

Boxed handwritten notes, possibly a summary or key points.

Additional handwritten notes and diagrams in the middle right section, including a diagram with arrows.

Faint handwritten notes at the bottom of the page, including the number '229.5'.

Pressure groups

Definition: organisations formed to promote a specific demand persistently through coercive techniques to bring about changes in govt policies & influence policymaking.

- Association for Democratic Reforms
- Religious: VHP, Jamat-e-Islami
- Women: SEWA
- Professional: BCI, MCI
- India Against Corruption - public opinion } Public interest
- All India Kisan Sabha } farmer
- CII, ASSOCHAM, FICCI } Business
- Narmada Bachao Andolan } Environment
- Student groups - ABVP, NSUI, AIKA } Student
- Caste groups - Harijan Sevak Sangh
- Trade Unions: AITUC, Hind Mazdoor Sabha

Issues

1. Anonymity - ^{cony capitalism} against reforms
2. Not transparent
3. Lobbyists - concerns of nexus
4. Unrepresentative (no inter group)
5. Street veto after? ^{dem group}
6. Promotion of caste & religion in secular policy

Importance

1. Aid in governance
 - Debate
 - Discussion
 - Deliberation
 - Dissent
2. Social change catalyst
 - g: Ashkas - against sexist BW lyrics
3. Interest Activation
 - ↳ Indian Against Corruption
4. Political socialization agent - Harijan Sevak Sangh
5. Public administration
 - ↳ policy implement.

Techniques

1. Electioneering
2. Lobbying - g: Green lobby in US
3. Narrative development - FICCI, ASSOCHAM "Trade unions = bad"
4. Petitioning: Indian Young Lawyers Association

- 6. Promote legislation
- 7. Political awareness & monitoring
eg: MKSS → RTI
- 8. 8. Raise grievances

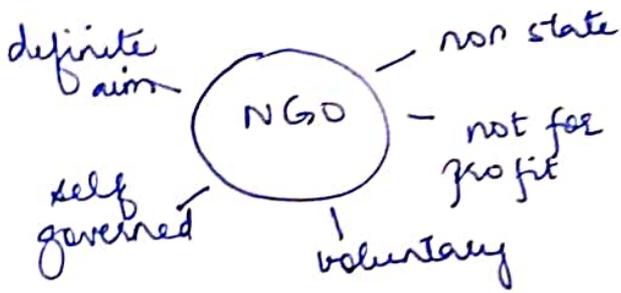

Just Peace
 & Meera Parbis
 organisation → Against
 AFSPA

Handwritten notes below the box, likely bleed-through from the reverse side of the page.

NGOs

World Bank - not-for-profit organisation that pursues activities to promote interests of poor, protect environment, provide social services and undertake community development

Reg Act (19)(1)(c) - freedom to form associations

Act 43 - rural cooperatives

6th 7th schedule - charitable & religious institutions

Regulation

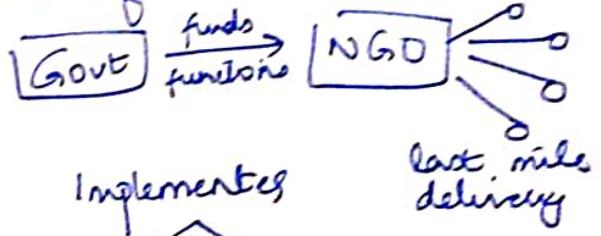

- FCRA 2010 v/ MHA

- FEMA

- Reg v/ SRA 1860 S.B Company

Role

1. Welfare scheme implementation

Analyst

2. Capacity building ^{institution} _{people}
 eg: Kerala Sadia Sahitya Palidhad ~ 100% literacy rate

3. Human rights

- YUVA & SPAC - protest improve quality of slums

4. Remove

social evils and aid is development

- eg: Gooj against period poverty

5. Broads Broaden govt accountability

eg: MKSS → RTI

6. Conflict resolution

7. Aid needy & vulnerable

eg: Viklang Sahayta Samiti → Jaipur football

8. Environment Protection

eg: Greenpeace, CSE

9. Child rights
↳ Bachpan Bachao Andolan
10. Disaster management

Challenges

1. Misuse of funds / ^{Double dilemma} Fund accessibility
2. Lack of transparency
eg: only 10% file RTI
↳ 14000 licenses cancelled by FC
3. Inequality
more in urban areas — less in rural areas
4. Engage in illegal activities
IB — NGO responsible for anti-nuclear protests
↳ reduce GDP growth by 2-3%
5. Religious & cultural encroachment
↳ eg: compassionate utilitarian

Conclusion

- Vijay Kumar committee
- accreditation guidelines
- Niti Aayog — nodal agency for legislation

NGO Darpan

(RTI) — those which receive govt fund = public authority
u/c 2

Measures

1. Monitoring : Govt committees to investigate
2. Cooperative approach
3. Promote in rural areas
4. Support in kind — ?
5. Accreditation council
6. Decentralise FCRA (and ARD)

SHG

Small voluntary organisation of people who come together to solve a common problem through mutual help. Ori = 7th FYP

Example MAVM

Aim

1. Build saving habits
2. Know social insurance against financial / economic crisis
3. Economic stability of group
4. Women empowerment
5. Entrepreneurship cultivation
6. Education & literacy
7. Improved health outcomes
8. Enhanced bargaining power
9. Reduce inequality
10. Poverty reduction

Challenges → use for steps

1. Socio economic cultural
 - ↳ Patriarchy
 - ↳ Time poverty
2. Regional divide
 - ↳ South - 70%
3. Infra deficit in rural areas
4. Training & cap build
 - ↳ & trained resource personnel
5. Internal governance issues
 - ↳ non regular meetings
 - ↳ leadership
 - ↳ poor accounting practices
6. Marketing of products

Measures

- ① Micro credit & micro market support
- ② IT connectivity for financial info
- ③ Expansion to peri-urban areas
- ④ Marketing (e.g. TRIFED)

4. Monitoring
5. Implement malinath recommendations

Steps - DAY-NRLM

- NABARD - E. Shakti Project
 - Aadhar linkage
 - 250 dist.

Case studies Conclusion

✓ Mahila Aethik Vikas Mahamandal
 ① Maharashtra

✓ Kudumbashree model of Kerala
 can be emulated for better outcomes

② Shreeja Milk union
 - income security despite bad harvest

③ dijjat kpad - 1600 crore venture

④ Mission Shakti in Odisha
 - 6 lakh.

③ Kamla Bivri

Community led - entrepreneurship

① Nri Nudge Institute - backyard poultry in Barabanki

② Brand Paisa - aesthetic hand purses from rags

③ 5000 Dalit women peme of Deccan Development Society - organic raised farming + drenches

④ Kala cotton - handloom weavers of Gujarat
 - new silks + cotton

Empowerment

1. Income security, thereby agency

2. Seeking solutions for common problems
 e.g. Domestic violence

3. Participation in governance
 e.g. Panchayat elections

4. Psychological support of "sisterhood"

5. Home, health, sanitation * ✓

Data

✓ 66 lakh SHG

7.14 cr rural women

✓ SEWA alleviated poverty (FAO) report

Committee

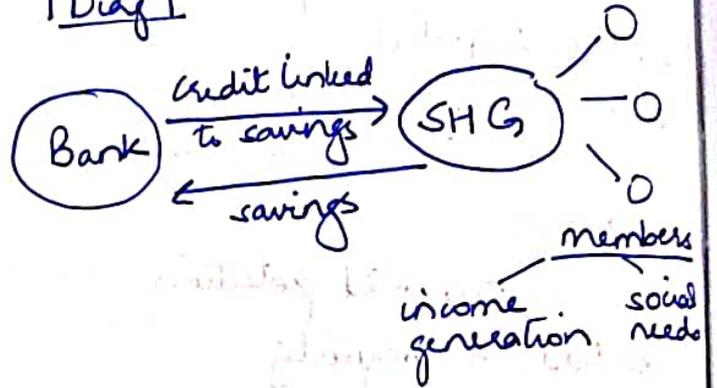

- Malegam committee for NABARD

SHG

Def: voluntary associations formed by people with similar backgrounds to achieve collective social & economic goals.

- Inclusion
- Awareness
- Empowerment

Diag

NABARD: 1 crore SHG
(2019) 12 crore families

2021 < 69 lakh SFG
7.5 crore members

Schemes

1. SHG-Bank linkage
 - ↳ SK Kalia committee
 - loans < income gener
 - social needs (edu+housing)
2. PSL
3. DAY-NRLM
4. state govt - Kudumbashree
 - ↳ Jeevika: Bihar
 - ↳ Mahila Aarthik Vikas Mahamandal (Maha)

Cooperatives

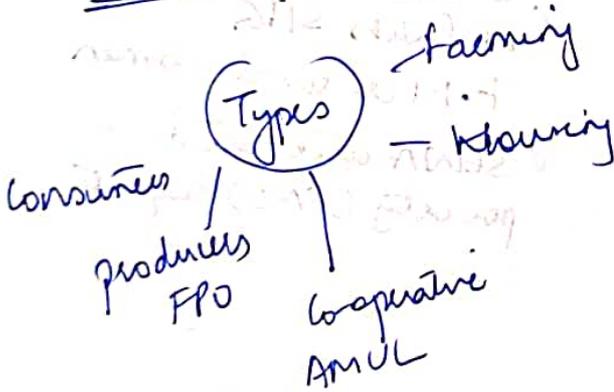

Def: voluntary association of individuals having a common need coming together to achieve a common economic goal

ex.g: AMUL

Art 19(1)(c) - cooperatives (R)
FR

- 43B

- IX-B M state

Ex: SEWA

Indian Coffee house

Committee

Narasimham Committee

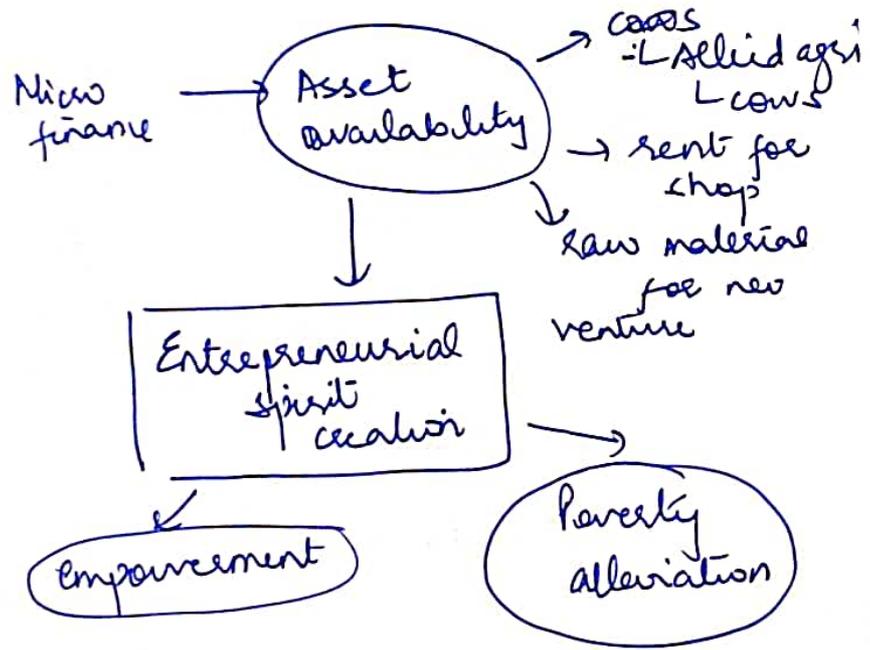

- define rights & liabilities
- transparency ↑
- Pravak

Dalit

Farmers

Microfinance

refers to provisioning of small credit amount to lower & into middle income groups for micro entrepreneurship and poverty alleviation

Role

1. Asset creation & empowerment of Dignat Papad ₹160000 venture
2. financial inclusion

Data Governance

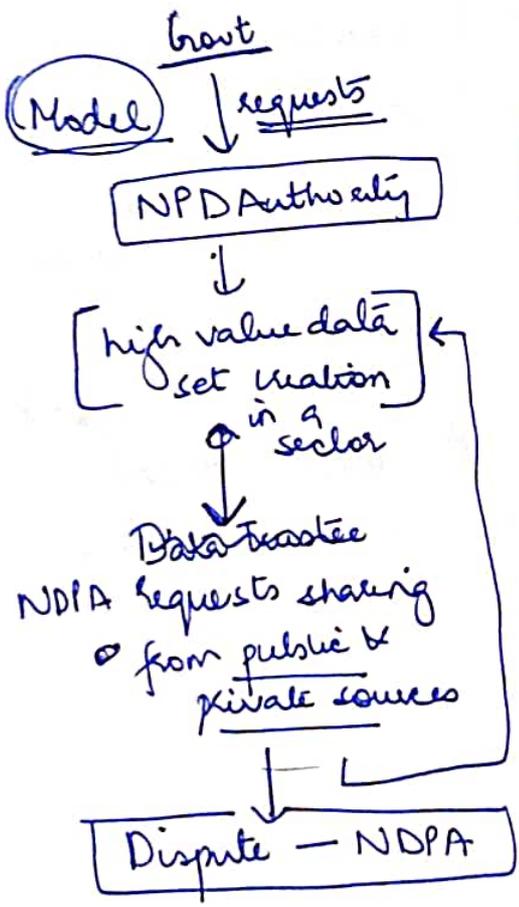

Objectives

1. Ensure greater awareness & participation through open data (non personal)
2. G2G - Govt wide & searchable database
3. India Data office under MeITY

- Govt Tech 1.0 - Computerisation
- Govt Tech 2.0 - Digitisation
- Govt Tech 3.0 - Open Digital Ecosystems
eg: UPI, eSign, DigiLocker

MeITY - Draft Data Accessibility and Use Policy

1. Informed decision making
2. Govt citizen centric data delivery of services
3. Digital innovation
4. Maximising access to Non Personal Data

Issues

- Slow progress on Open Govt Data platform
- Fragmentation of data sets
- absence of anonymisation tools
- insufficient attention to data stewardship models
- lack of data quality standards, licensing & valuation framework for Data sharing

Minorities

Muslims

✓ Sachar Committee

equity
security ← identity

✓ 25% no school

✓ 2% in PG courses

- Ghettosisation

- Fundamentalism

- 2% in public services

- LS: 4.9% ONLY

NCM A 1992

- Evaluate progress
- Monitor safeguards
- Recommendations
- Look into complaints
- R & D

Sachar Com

① Equal Opportunity Commission
↳ awareness of deprived groups

② National Data Bank ✓

③ TK Vishwanathan Committee - 505A

- 2.21% (Census 2011)

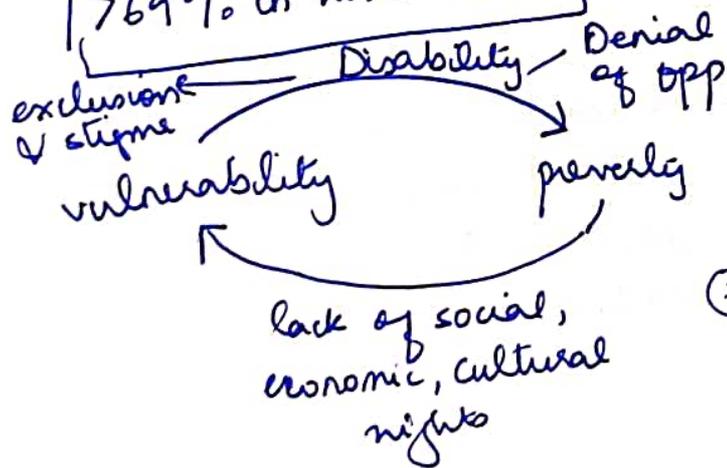

19 medals at Tokyo paralympics
↳ 5 Gold

- State subject - entry 9

PwD u/ R. PwD Act 2016

person with long term physical, mental, intellectual and/or sensory impairments which hinder full & effective participation in equality with others.

769% in rural areas

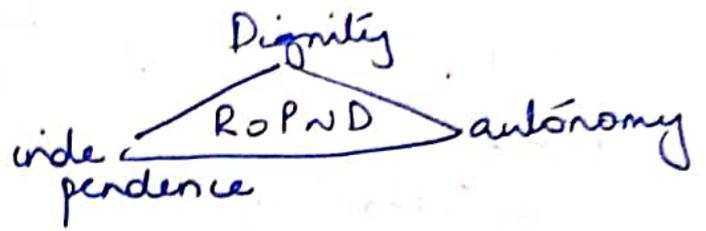

Schemes

- Accessible India
 - ↳ built env
 - ↳ ICT
 - ↳ Transport
- Rights of Persons with Disabilities Act 2016
- Assistance to Disabled Persons for purchase of aids & appliances (ADIP)
 - ↳ durable
 - ↳ sophisticated
 - ↳ scientifically manufactured aids
- Inclusive India Initiative
- Unique Disability ID project (UDID) - ID card - valid pan India
 - ↳ to avail schemes & benefits
- Early Intervention Centers
 - ↳ to therapeutic intervention to reduce disability burden.
- Indian sign language research & Training Center, Delhi
- (*) - Deendayal Disabled Rehab scheme → support NGOs to run projects

Issues

- Health :-
 - ↳ No proactiveness to prevent disability
 - l/o access to healthcare, aids, appliances
- Education :-
 - ↳ special schools
 - Trained teachers
 - ↳ educational material (UNESCO - 27% PwD never to school)

- Employment ↓
- Accessibility
- Discrimination, exclusion, marginalisation
- Lack of data
- Exacerbated by COVID

Faint handwritten notes in the left margin, including 'employment', 'accessibility', 'discrimination', 'exclusion', 'marginalisation', 'lack of data', 'exacerbated by COVID', 'steps', 'reservation', 'no of disabilities', 'increased', '6-18', 'RT Edu', 'regulatory bodies', 'Chief Commission', 'state', 'funds', 'National state', 'special courts', 'BP', 'Odisha', 'Kerala', 'Newborn screening survey', 'vocational training school', 'Paralympics', 'Avani Lekhara', '@ shooting'.

Steps - R o P n D

- Reservation [Jobs 3-4%, Edu - 3-5%]
- No of disabilities increased (7 → 21)
- 6-18 RT Edu
- Regulatory bodies
- Chief Commission → state
- Funds → National state
- Special courts

BP

- Odisha - 2.5L for marriages
- Kerala : Newborn screening survey
- vocational training school
 - ↳ Paralympics
 - ↳ Avani Lekhara @ shooting

Conclusion

Nobody is disabled until society makes them so.

Steps

- Awareness
- Inclusion
- Access (< 7% buses)
- Removal of GST

Elderly 8.6% in 2011 (census)

> 60 years : 104 million
53 million females
51 million males
(Census 2011)

- Increase to 173 million
(World Pop Fund) by 2026

- 81% have faced verbal abuse,
53% - neglect
37% - material abuse
23% - physical abuse

- Maintenance & Welfare of Senior Citizens Act 2017

- S. 20 Hindu Marriage & Adoption Act

- National Policy Prog for Health care of elderly

- 6 medical institutions
↳ geriatric training

- Act 41

Sunny Paul v. State of NCT

↳ Senior citizens can visit abusive children

Rashtriya Vayoshree Yojana

India will have 20% of world's population of world's 60 years & above by 2050 & largest no. of oldest adults in the world.

Key Measures

- Community based 1^o healthcare approach
- capacity building of medical & paramedics
- caregivers within family
- Promotional, preventive, curative, rehabilitative care services

Eco survey: ↑ retirement age in a phased manner

Problems

A. Inadequate resources for geriatric care

B. by elderly

Social abandonment due to x traditions

- nuclearisation of family
- alienation due to gender gap
↳ digital divide

- Disillusionment due to retirement

- Feminisation of aging (1033)
2011

- Ruralisation (71%)

Economic

- 700PG ; high health insurance

✓ Act 91

Governance

- Mental & physical illness (30-50% have symptoms related to depression)
- L/o institutional support
- Loss safety against theft & violence

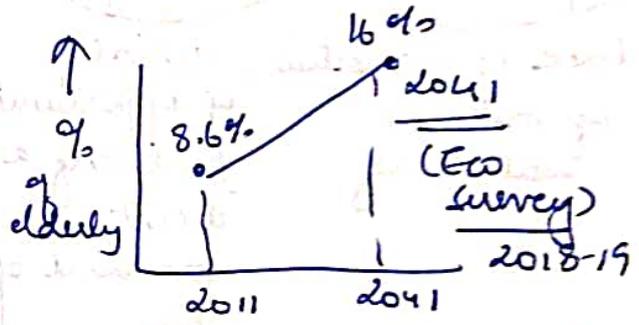

BP

PLMAM Program Act, Assam
 Govt employees to give 10-12% of their salaries to parents if not taking care.

Measures

1. Treat them as an asset
↳ social bridge
2. Female members = support
3. Help reduce societal tension
4. Increase social security
5. Civil society - Help Age India?
6. Geriatric Pharmacotherapy

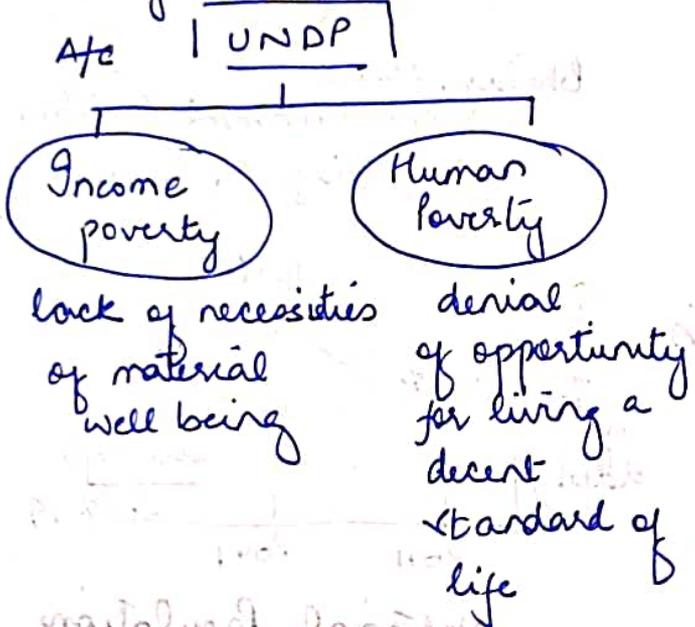

Bhilas, Make entertainment facilities (Uttar of books)

National Population Commission
 18% (60 years and above) by 2036

Poverty (SDG 1)

Poverty refers to lack of resources to afford a minimum standard of living.

UN: "Poverty is a denial of choices and opportunities, violation of human dignity."

Intensity of poverty = 47.13%
(extent of poverty)

$$MPI = \frac{\text{Incidence}}{\text{ratio}} \times \text{intensity}$$

measures

- absolute poverty 1/d
- deprivations faced by poor
- (severity of poverty)

Dimensions

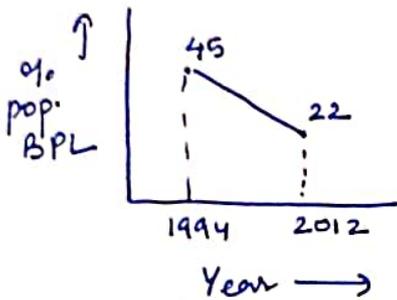

- Health
 - Nutrition
 - child & adolescent mortality
 - maternal health
- Education
 - Years of schooling attendance
- Standard of living
 - Sanitation
 - Electricity
 - Drinking water
 - Housing
 - Assets
 - Bank A/c
 - Cooking fuel

India: head count ratio: 25.01%
(Number of poor)

India) - 816/month rural
- 1000/month urban

India home to 364 million
poor = 62nd / 107

Progress

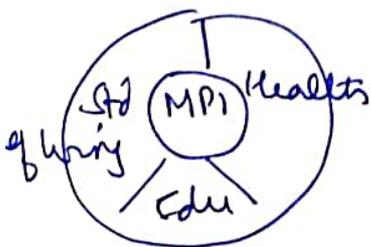

- Global MPI
- 271 million lifted
out of poverty

Extreme poverty is reduced

Incidence = poverty ratio

Intensity = severity of
condition of poorest
- Poverty gap index

1.3 billion people in the
world = multidimensionally
poor

Intensity

- Years of schooling
- nutrition
- drinking water
- cooking

Key take aways

- 1) Children most vul
- 2) Sub-Saharan Africa
- 3) 271 million
- 4) COVID → backsliding

Issues

- 1) Data
- 2) Inequality
- 3) Happiness?

Conclusion

✓ SDG-1

Tribals

Art 46:
protect from injustice
& all forms of
exploitation

- 11 crore
- 8.6% population
(2nd largest tribal pop in
any country in the world)

Kanari Study: 2nd highest
IMR in the world!

State of India's tribal people's health:

- o Tribals concentrated in 809
blocks called "Scheduled
Areas"
 - ↳ 5.5 crore however live
outside as scattered
& marginalised
minority
- o US mortality: 57 / 1000 (2014)
135 / 1000 (1988)
- o higher child malnutrition: 50%
- o Malaria, tuberculosis = 3-11
times higher in
tribal population
 - ↳ account for > half of
malaria deaths in the
country
- o No participation in planning
at any level

- Tribal sub plan: financial
outlay

Measures (needed)

1. National Tribal Health Action
Plan
2. Identify priority problems
to work on
 - ↳ HR gap
 - ↳ governance gap
 - ↳ health care gap

Legal measures

- Article 15, 16
- SC & ST (Prevention of Atrocities) Act 1987
- 15 Nov: Jyotiya Gaurav Diwas

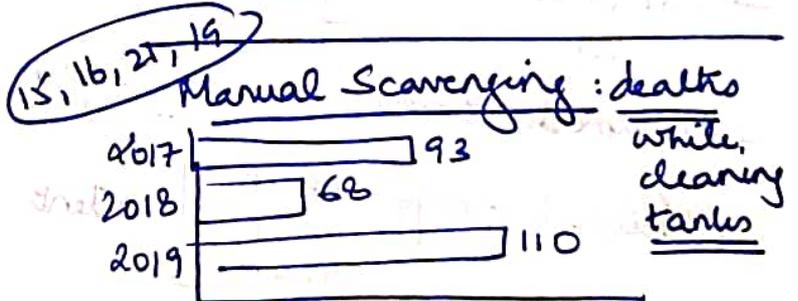

Kal belia Kal = snake
 belia = friendship

Issues

1. Forest Rights
2. Mining related
3. Financial deprivation
4. Atrocities
5. Nutrition & health
6. Education
7. ST component

Kurdu Report

- 44.8% ST } BPL
 33.8% SC } in rural India
- 5% inter caste marriages
 ↳ 5% ONLY
- Crime against Dalit every 18 minutes

Act: Prohibition of Employment as Manual Scavengers & Rehabilitation Act 2013
↳ prohibits const. & maintain of unsanitary latrines

- Safai Mitra Suraksha Challenge
- NC Safai Karamchari
- Barcode robot

CAG

- Article 148
- Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act 1971
 - ↳ extent of resp.

CAG examines the propriety, legality, validity of all expenses incurred by govt

- S. 14, 15, 19(3) & 20(1) of DPC Act curtail CAG's powers
- 15(2) - deprive authority to conduct audit

- no power to pass decree or investigation
- No right to release reports in public domain on own

Data

- V. Subramiam Balaji v. Govt of Tamil Nadu 2013
 - ↳ duty of CAG arises only after expenses have occurred

- PM Suleman Rehmat Khan v. State of Tamil Nadu
 - ↳ CAG cannot question policy objectives of Govt. (*)

- Association of unified tele services providers v. UoI

CAG can audit any private company if

↳ loss to consolidated fund of India	↳ Revenue sharing agreement b/w Govt & Private co
--------------------------------------	---

- Avinash Gupta v. UoI (2013)
 - ↳ CAG has no power to give performance audit under Regulation of Audit Act 2007
- fn { efficiency, economy, effectiveness }

Ast 149

↳ Purposive interpretation

Wst policy objectives -

- State's welfare, progress, requirements & need of people are better answered by state

- If every decision taken by state is tested by a microscopic & suspicious eye → administration will come to a stand still

Duties & Powers of CAG (in DPCA)

1. Govt audit (Centre)

Consolidated Contingency fund Public R/c

2. Departments : Trade, manu, profit & loss, balance sheet

3. 279 - Certified net proceeds from tax or duty.

4. F, P, Guide to P.A.C.

Independence

1. Security of tenure = SC judge
2. Post retirement - no office
3. Salary ≠ disadvantage
4. Expenses = CF I
5. Conditions of

Best practices

- Audit work courts - Germany Italy France

- Separate AGs for all states: US

Conclusion

B. R. Ambedkar - CAG is the ball bulwark of democratic system of government in India

Limitations - Use SC judgments

1. Appointment by exec
2. No comptroller - post facto
3. Limited resources
4. Cannot question policy objectives

Measures

1. Institutionalise : multi member body
2. Timely access to info
3. Statutory status to J.A & AD

NCSC / NCST / NCBC / NCM / NCW / NCPCR

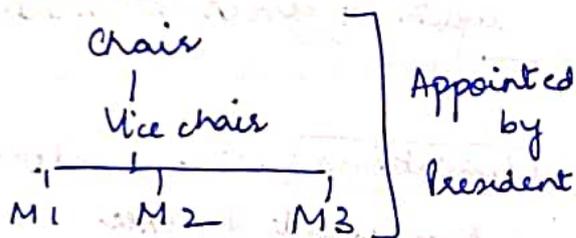

NCSC - 338

NCST - 338 A

89th CAA

NCBC - 338 B (102nd CAA)

Structure

Functions

1. Investigate & monitor matters wrt. consti & legal safeguards
2. Inquire into specific complaints
3. Participate in planning process
4. Annual Report
5. Monitor disposal rate of special courts

NCST

- Minor Forest Pw → confer rights
- Development of tribals
- PESA
- Safeguard rights of tribals

Issues

1. Lack of institutionalisation of processes
2. Decisions not binding
3. Arbitrary appointments
4. Declining quality of reports
 - mechanical issue finding
 - lack of specifics
5. Inadequate use of suo moto powers
6. ~~Sea~~ Dilution of authority / lack of integration
 - eg: Dalit woman
 - NCW
 - NCSC

Evaluation

1. ↑ in crime (60%) → allocation in
2. High pendency of complaints
3. Delayed appointments / vacancies
"paper-tigerisation"
4. Irregularity ← taking discussion of report

Constitutional status to reservation
(+ve)

1. Welfare of BCs
2. Objectivity - check misuse of creamy layers
Act 242 A
interest
3. Grievance redressal
↳ powers of civil courts ✓
4. Holistic development
(not just reservation)
5. Annual report

Case studies

- Rohit Verma case
- 5 lac claims rejected (tribals)

Statistics

Tribes: 8.5% ; 15% area

- 990/1000 sex ratio
- Female [FPR - 33.6%
(India ~ 22%)]
- lowest annual income
(₹ 32,000 / avg ₹ 2000)
- India Human Dev Survey
- Dropout 59%
literacy 60% anemia

Class	Dropout Rate (%)
8X	73
XII	86

-ves / issues

1. Non binding
2. can not define backwardness
3. Periodic revision of list not provided
4. Resources & adept manpower deficit

Steps

1. Data (*) - create database
2. Regional level bodies
3. Ease of complaint sig
4. Cap build of all stakeholders
5. Inclusiveness - gender parity
- 6.

SC

- 4/82 secretaries to GOI
- 11 faculty members @ IIMs
- 20% GER @ Hyderabad
- PHD - 9.1% from SC
at IIT 2.1% from SC

Poverty

- Rural areas: 5% wealth
5% land agr
↳ 17% population
- ↑ wage labour, poverty, malnutrition
- India land livestock survey
↳ until 2013 - 70% Dalit
↳ 70% → labourers
↳ 1/2011 Caste Census

Case study

- ① India Meghal
- ② 8 rapes every day (SC homes - NCRS)
- ③ Payal Tadi suicide
Rohit Verma

- RPA 1950: U/A 327
- allocation of seats
 - delimitation of constituencies
 - qualification of voters
 - electoral rolls

RPA 1951: admin machinery

- registration of IP
- Qualifications/disqualification of MPs
- corrupt practices
- dispute resolution

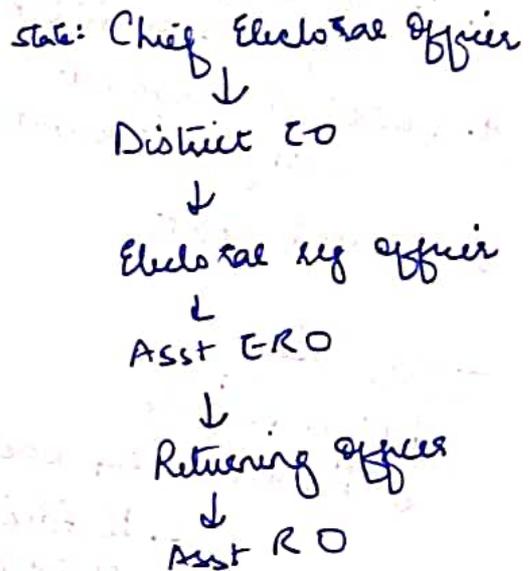

Disqualification: S.8 / 6 years

- enmity
- Rape
- untouchability
- import-export prohibited goods
- unlawful association
- Booth capturing
- insult to flag
- imprisonment > 2 years
- corrupt practices
- disloyalty → dismissal
- failure to lodge election expenses

9(A): misuse of office & breach of trust / eg: Thakurhand CM)

S.77 RPA → account of expenses if not → S.10A: (DD)

Machinery

Lily Thomas v. UOI

Immediate disqualification following conviction

Voting disqua

6 years
